State Medicaid expansion

Some states have expanded their Medicaid programs to cover more people. [Choose your state and household size](#) and we'll tell you if your state has expanded and if you may qualify.

Where to apply for health coverage

People in most states use HealthCare.gov to apply for and enroll in health coverage.

If your state appears on the list below, you won't use HealthCare.gov. You'll use your state's website to enroll in individual/family or small business health coverage, or both.
